

HEATING AND AIR CONDITIONING HOME SERVICE PLAN

Mend's HVAC Home Service Plan is designed to meticulously inspect your home's heating and air conditioning system(s) to discover any latent issues or potential problems. Our two scheduled visits per year will provide a detailed inspection checklist and recommendations to aid with insuring a correctly functioning HVAC system.

OUR PREMIER HOME SERVICE INCLUDES:

HOME INSPECTIONS

- ✓ Thermostat test
- ✓ Inspect air filters
- ✓ Evaluate proper airflow
- ✓ Assess equipment condition
- ✓ Check equipment temperatures
- ✓ Heater/furnace, gas connections and exhaust systems
- ✓ Condensate pan and drain
- ✓ Look for any pest infestations in equipment
- ✓ Write a thorough review with findings and recommendations

UNIT PREVENTATIVE MAINTENANCE

- ✓ AC unit tune up:
Clean evaporator coils (*in place*) and condenser coil, clean condensate pan and piping, lube motors if necessary
 - Plan Includes one AC unit tune up. Add \$64.95 per year for each additional unit

SERVICE PLAN BENEFITS

- ✓ 10% discount on all repairs
- ✓ Extension on standard 6 month labor warranty to 1 year labor warranty
- ✓ No trip charge during regular business hours
- ✓ Reduced after hours emergency hourly rate from \$225/hour to \$187.50/hour

STARTING AT:

\$16.59/MONTH or \$199/YEAR
