MEND'S WHOLE HOME WELLNESS PLAN

At Mend, we believe that your home's health is just as important as your body's health. Just as you prioritize regular check-ups and maintenance for your well-being, it's essential to ensure that your home receives the care it needs to function efficiently and safely. Our Home Wellness Plans are designed to provide comprehensive maintenance, helping you avoid the need for emergency services for your home's plumbing and heating / cooling systems. By entrusting us with the care of your home, you can enjoy peace of mind knowing that your home is in good hands.

PLUMBING WELLNESS CHECK

- One visit per year
- Inspection of all faucets, toilets, sinks, showers, and drains
- Test domestic water system pressure
- Water heater flush for sediment removal and improved efficiency
- One (1) complimentary drain cleaning annually (as needed)
Includes one (1) complimentary drain clearing with hand tool
- One (1) complimentary water quality test annually (as needed)

HEATING & COOLING WELLNESS CHECK

- Spring AC tune-up
- Fall furnace check
- Cleaning and inspection of filters (as needed)
- Inspection of ducts, coils, and vents
- Inspect and clean the outside condenser (as needed)
- Calibration and adjustment of thermostat settings (as needed)
- Lubrication of moving parts (as needed)
- One (1) complimentary air quality test annually (as needed)

PLAN EXCLUSIONS & TERMS

HVAC system(s) and water heaters must be operational to perform regularly scheduled maintenance. Supply of air filters not included in the program benefits. Additional fees may apply based on condition of system(s) and accessibility. Maintenance and work to be performed during normal business hours (Monday – Friday 7 AM – 5 PM). Agreement subject to Mend Services standard terms & conditions. See terms and conditions at mendservices.com. Agreement does not apply to commercial properties.

*Maximum annual discount of \$2000.
